While attending a demonstration in radiology, student PETER PARKER was bitten by a spider which had accidentally been exposed to RADIOACTIVE RAYS. Through a miracle of science, Peter soon found that he had GAINED the insect's powers...and had, in effect, become a human spider...

PETER PARKER'S

PAD

1/6 MARVEL COMICS GROUP, 575 MADISON AVE. N.Y.C. 10022

Dear Armadillo,

Peter Parker's Pad, Huh? No good. Gotta go.

I have pondered long and hard, seeking an answer to the problem of the perplexing letters page title. I tried many — Spidey's Grab Bag, The Spiderborien Page, and Bug's Building Bulletins—but they all seemed too familiar.

I tried others—Wereweb's By Night, Web Quacks, Monolith Webs, and Omega Webs—but for some reason, none of them sounded right.

I even considered Sock It to Web-head and Let's Rap with Web-head, but neither looked quite right.

But after much research, I have it at last!!

PETER PARKER'S PEN PALS!!

You love it, right? You don't?

didn't think so. Well, I tried

Sigh. How about a no prize for originality?

Peter Parker

84 06 25th Avenue

Jackson Heights, NY 11370

A no-prize?! For originality?!

Surely you jest, Pete! After all, no-prizes are rarely given awards for exemplary action above and beyond the call of a Marvelite's duty. And frankly, after your suggestions...well, if the Hulk should happen to smesh through Jackson Heights, don't say you didn't have it coming!

Peter Parker's Pen Pals! Shuah!

Dear Marvel,

I have just finished reading your latest and greatest hit, PETER PARKER, THE SPECTACULAR SPIDER-MAN. It was great!

But then I turned to your letters page and saw "Peter Parker's Pad." I thought that title was all right, but you could have done better. Then I read of your little contest on the renaming of the page. Well, how about...hold on to your hats!

THE SPIDER'S WRITERS!

Sounds good, huh?

Well, I just hope Mel ow Mary Ellen doesn't go crazy reading all of your entries.

And until I have Howard the Duck for Thanksgiving dinner, make mine Marvel!

Andrew Sands

5508 Phillips Avenue

Pittsburgh, PA 15217

Uh-oh. Hey, Gerber, is the Duck still...? He's okay? You're sure? Whew!

Guess you want the turkey route again...ah, Andy? (Thank God!)

As for your suggestion, it's not half bad. But what say we throw open the floor and seriously entertain ideas for a new—and sorely needed—title for this page? Take it away, Marveldom!

Well, that's the first bunch in the mail. Naturally, some of the suggested titles were duplicated by other Spiderophiles, but these were the first to pass our desk. So whetta ya say, folks? Will one of these titles grace this page in issues to come? Is there another great title that has yet to be suggested? Or should we hang around the Pad? It's in your hands now! (Although, we have to admit we're kinda partial to Web-Zingers!)

Dear Marvel,

I loved PETER PARKER, THE SPECTACULAR SPIDER MAN #2. Just one thing bothers me, though. How can Carol Danvers (Ms. Marvel) be J. Jonah Jameson's secretary when Gloria Grant is his secretary?

Michael Santagato

4102 23rd Astoria

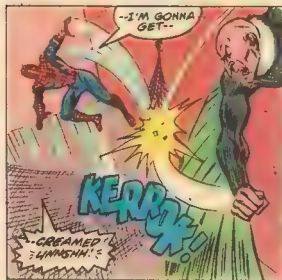

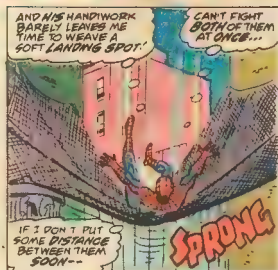

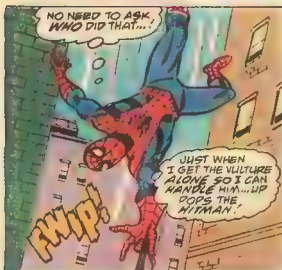

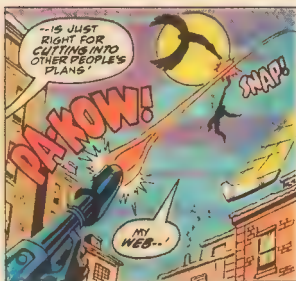

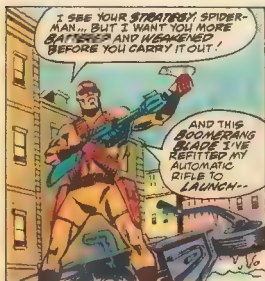

New Yprk, NY 11105

Simple, Mike. She's not! Carol Danvers is no more a secretary to Jolly Jonah than Joe Robertson is. Carol is the editor of WOMAN magazine, which J.J.J. publishes. As editor, Carol is very much her own person. And, of course, she is even more than that in her identity as Ms. Marvel. (There, Chris Claremont, you got your plug! Now will you get back to MARVEL TEAM-UP and leave us alone?)

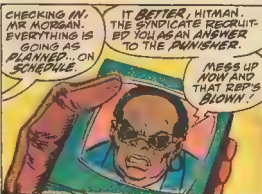

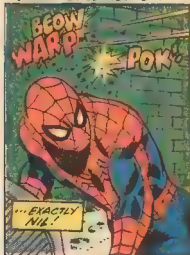

And that leaves us with just enough room to wish you well and hope that you'll join us again in just thirty days for PPTSS #6.

STAN LEE'S SOAPBOX

Okay, gang—this one's too exciting to keep for another minute! Every time I speak at some college or convention someone's sure to ask me, "Hey, when are you gonna write some more comic books?" or, "How about you and Kirby team'n' up again?" Well, I don't really have time to write a regular steady mag anymore, but—Jolly Jack and I have been itchin' to team up for one big, juicy, super-sensational project—and we're finally got it! Yep! The contracts are being written, right now! We're planning to write and draw the World's longest and greatest comic-book story—a hard cover edition, to be published by Simon & Schuster, an original novel-length epic adventure of—**THE SILVER SURFER!** It'll be the toughest project we've ever attempted, 'cause everyone'll be waiting for it—and if it isn't as great as we hope it'll be, people'll start saying "Aww, that guy Lee is over the hill!" or, "Lee and Kirby—big deal!" So you cin bet we'll do everything we can to make it the absolutely all-time most stupendous illustrated saga ever produced! It'll be on sale towards the end of '77, so start saving your shekels now—if one single copy remains unsold, we'll know that one of you goofed! And, while you're waiting, you needn't despair—there are still a few thousand copies of **BRING ON THE BAD GUYS** waiting for you to giv'e 'em a home. Just go to your nearest book store, look intelligent, and yell "Make Mine Marvel!" And, if you play your cards right, you might also be able to find a combo pack of **ORIGINS** and **SON OF ORIGINS** as well. In fact, if you wanna buy 'em in a real fun place, and you happen to be near New Jersey's Livingston Mall, drop in to the new Super-hero Shop where you can get all of Marvel's toy, game, and novelty goodies. But now, before you start thinking we're tryin' to sell you something, let me give you something to worry about. King Kirby lives in California, and I hang my little pointy hat in New York. That means we're gonna have to collaborate on crammer the world's greatest single comic book while we're 3,000 miles apart! And you think you've got trouble? Anyway, I'll issue a progress report here in ye olde Soapbox from time to time, so you can see how we're doing. Well, now that I've told you all about the upcoming **SILVER SURFER** sensation, maybe I oughta tell Kirby. He has to be the last to know! And now—till next month, Believer, keep your surfboard shiny and always remember: *Sardex* is fail!

Exeelsior!

ITEM! The snowy winds of winter may be blowing when you read this, but as your loyal armadillo hunts and pecks his way through these newsworthy notes, it's still Indian summer. And that's the time of one of the biggest events in all of comics, namely the annual World Comic Convention at Lucca, Italy. For four frantic days, thousands of fans from all over the globe gather to attend panels, symposiums, and exhibits honoring the top creators in the comic book/comic strip field. Among those honored in the past has been our own smiling leader, **STAN "The Man" LEE**. This year, **JACK "King" KIRBY** has been chosen as one of the guests of honor, and is attending the convention with his wonderful wife, **ROSALIND**. We couldn't be happier. The guy who, through the countless comics he's created, has enabled the rest of us to travel to such far-flung places as the Negative Zone, Asgard, and Ego's bioverse is finally getting time off from the drawing board to do some traveling himself! It's about time, Jack. Just don't forget to come back— you're the only one (outside of **THE ETERNALS**) who can keep those Celestials off our backs!

ITEM! Department of Deja Vu: January is the month when **MARVEL PREVIEW** featuring **MAN-GOD** hits your newsstand. You say you have the feeling you've read that bit of news before? All right. We confess. The last time when we announced the contents of the up-coming issue of our \$1.00 size black and white sampler book, it was supposed to be **MAN-GOD**, the oft-postponed Roy Thomas and Tony DeZuniga awesome adaptation of Phillip Wylie's **GLADIATOR**. No sooner had we committed ourselves in print than a large section of the recently completed pages disappeared in transit into the myriad byways of the United States mail. When finally they emerged safely, if somewhat frayed around the edges, we'd already been forced to substitute the **LEGION OF MONSTERS**. Now, it's time to try again. **MAN-GOD** has to hold a record as one of our most promised, most postponed projects ever. Have we finally beaten the curse that seems to haunt it? Only your local newsstand knows for sure.

ITEM! While we're mentioning the bombastic creations of our bustling black and white department, let's get in an early plug for the newest title in that line, **THE RAMPAGING HULK**. The second sensational issue will be on sale next month and has our grim goliath pitted against the original **X-Men** in yet another epic-length episode by **DOUG MOENCH**, **WALT SIMONSON**, and **ALFREDO ALCALA**. All that, plus a blazing **BLOODSTONE** back-up feature. Watch for it!

ITEM! On the personal front, let's welcome **Shimmering SHARON ING**, all around aide to our Vice President of Operations, **Jolly Solly BRODSKY**. And we can also say welcome back to 'Nuff Said **NELSON YOMTOV**, peerless production prince for our reprint line and sure-handed third baseman on the Bullpen softball team. Nellie just returned

and fit from two weeks vacation in Hawaii, an object of envy for every pale and flu-ridden armadillo on the staff. Fortunately, nice guy that he is, **Nel** brought back pineapples and slipped them into the sago so even our overworked bullpeners could have a taste of island life (ouch!). Meanwhile, even before receiving his pineapple, ace inker, Fearless **FRANK GIACIOIA** was beaming happily. And it's no wonder, since he's filled with pride for his youngest daughter, **MARGARET**, who was just recently married. Our best and warmest to both of you, Frank!

ITEM! By the time you're reading this, you probably will already have heard about **THE HUMAN FLY**. No, not the villain who debuted in last year's **SPIDER-MAN ANNUAL**. The fella we're talking about is an actual daredevil who specializes in the kind of hair-raising stunts usually reserved for the super-types cowering through the pages of our comics, and who will probably be in for some network TV coverage about the time this reaches you. But even if by chance you're one of those rare and treasured souls who refuses to watch the tube, you're still going to be hearing about **THE HUMAN FLY**, because merry Marvel's about to launch a very special comic book series based on this real-life super-hero. The stories are going to be fictional, but the background we'll draw upon is the Fly's own, and it's as exciting and incredible as any fictional adventurer's life ever was. As the book takes shape, we'll be keeping you informed of all the details. This is going to be an unusual one, so stay alert for it, hear?

ITEM! And as long as we're filling you in on future developments, let's look way ahead to next summer and finish with a rundown of what's in store in the way of 50¢ King-size Annuals. In no particular order, they are: **THE INCREDIBLE HULK**, **CAPT. AMERICA**, **HOWARD THE DUCK**, **AMAZING SPIDER-MAN**, **MASTER OF KUNG FU**, **THE DEFENDERS**, **THOR**, **THE ETERNALS**, **FANTASTIC FOUR**, **INVADERS**, **IRON MAN**, **MARVEL TWO-IN-ONE** (which co-stars **SPIDEY** with the book's ever-lovin' blue-eyed host), **AVENGERS**, and **CONAN THE BARBARIAN**. Work's already started on some of them, and we think we've got a few pleasant surprises for you. We'll be revealing one or two of them next month. See you then.
